

JADHAV ACADEMY

Strong Foundations. Bright Futures.

Jadhav Academy, on Jail Road, Nashik, offers structured academic coaching from the very first year of school through to entrance-exam preparation — built around small batches, weekly testing, and personal attention.

Our Programs

Program	Standard	Focus
Foundation Batch	1st – 4th (State / CBSE)	Strong foundation, activity-based learning, individual attention, confidence building. Trial class available on request.
School Coaching	5th – 10th (State / CBSE)	Weekly test, printed notes, doubt solving, exam preparation. Trial class available on request.
Science Academy	11th & 12th PCM / PCB / PCMB	Concept-based learning, experienced faculty, regular test series, career guidance, JEE & NEET preparation — tie-up facility available for select programs (ask for details).

Why Jadhav Academy

- Deliberately Capped Batches — more opportunities to ask questions and be heard
- Concept First — understand the “why” before memorising the “what”
- Regular Practice — consistent, guided practice every week
- Weekly Assessment — gaps identified early, before they grow
- Personal Guidance — targeted, individual support for every student
- Parent Communication — regular updates on academic progress

The Jadhav Learning Method

A repeating six-stage cycle, run every week: **Understand** → **Practise** → **Test** → **Analyse** → **Improve** → **Repeat** — so no student is ever more than a few days from catching up.
